

GREATER IS HE

Danielle Munizzi, Martha Munizzi, Anthony Evans

There are days
When I feel afraid
But I won't be shaken
I won't be shaken

There are times
When I have doubted
When I feel surrounded
But your love's surrounding me

I don't walk by what I see
I have faith and I believe

CHORUS:

*I believe
He's living in me
He's making me greater
Greater is He that's in me
I believe
I have victory
There's nobody greater
Greater is He----
Than anything in the world
Greater
Than anything in the world
Greater is He that's in me*

I will stand
On your word
Cause it never fails me
You never fail me

I will trust
And believe
Your strength is perfect
You're strength is perfect in me

I don't walk by what I see
I have faith and I believe

(CHORUS)

There's No other name
That can heal that can save
The God of all days, there's
Nobody Greater

(The) Hope of Salvation
The God of the Nations
We give him the praise there's
Nobody greater
(Repeat)

(CHORUS)
